

Welcome to the Greenland PTO

The Greenland Elementary School PTO is excited to welcome returning families and new families to Greenland! The PTO is a volunteer organization made up of parents, teachers, administrators, and support staff who are all dedicated to assisting the successful education of our children. The PTO works hard to help make the school year both enjoyable and exciting for students, teachers, and parents.

We are looking forward to meeting our returning and new Greenland families and look forward to getting you involved with our PTO this school year. As a Greenland parent you are already a member of the PTO, but there are so many additional ways to experience all the PTO has to offer. We host many events for kids and families each year to help build our community! Everything we do however is based on volunteers and we are always looking for help to make the events memorable and exciting for the kids.

You can participate at whatever level your schedule and life allow and your help will make 2023-2024 a great school year. We will need as many volunteers as possible for things as small as a couple 30 minute shifts at an event like a school dance, to being a part of a committee to help plan something like an all school fun run. Many tasks can even be done from the comforts of your own home. Our PTO meets monthly, on a Thursday evening, to discuss events, plan fundraisers, review PTO impact and budgets, and share ideas.

The PTO believes that it is our responsibility that we do everything we can to enhance and support the learning environment of our children and the teachers we entrust their learning to. It takes an active, united PTO working together to ensure this happens every year.

Our PTO board has openings for interested parents that are looking for a larger role in planning the impacts of the year. We look forward to getting to know you and sharing this year's experiences.

**Become a member of the Greenland PTO Facebook Group
or email at greenlandpto@gmail.com**

This is a wonderful way to find out what is happening at our school from the PTO's perspective.
