### **Summer School Online Registration Information**

- Online registration for grades 4K-12 will continue for the 2015 summer school session. **This will be the only venue through which families can register for summer school.**
- Families who have difficulty with, or have no computer/internet access, may contact the summer school office for registration support during regular school hours at 262-560-2115, or by emailing [Summer@oasd.org](mailto:Summer@oasd.org).
- The registration window opens **March 9, 2015 at 6:00 a.m.** and will remain open for online registration until **March 20, 2015 at 12:00 noon.**
- Grade level course brochures, step-by-step instructions for registration, and the payment process are posted on the OASD website, <http://www.oasd.k12.wi.us> (About Us → Summer School).
- In order to register online, you will need a Family Access login and password. **If you do not currently have a Family Access account, please register online from the Family Access information page prior to summer school registration** (*your login and password will be emailed to you*). If your student attends an OASD school, you will use your current Family Access information to complete online registration. You do not need to request a new one. If you have questions or would like more information regarding Family Access, please contact Julie Miller at [MillerJ@oasd.org](mailto:MillerJ@oasd.org) or call 262-560-3112.
- **Any new-to-the district student or parochial/private school student must complete an OASD Student Application Form prior to summer school registration** (this is different from the Family Access account registration). The form is available on the Summer School website, and should be completed and submitted directly online. Upon receiving the form, staff will enroll your student into the summer school entity, and you will be notified that you may proceed with the registration process. See the Summer School website for more information.
- Summer school dates are June 22 – July 31, 2015 (6 weeks). **There is no school on Friday, July 3, 2015.**
- **NO transportation is provided for summer school, and NO SHUTTLE BUS service is provided between sites.**
- Payment is required at the time of registration with a credit or debit card through the Revtrack payment option in your Family Access account. **If fees are not paid by Friday at noon during the week in which registration occurs, students will automatically be dropped from the course.**
- If your student is on Free or Reduced lunch you may register online, but do not pay for the remedial or skills instruction classes, as those fees will be waived. **You must still pay for any enrichment classes you register for regardless if your child is on Free or Reduced lunch.**

**Summer School registration will NOT be accepted after March 20, 2015.**

**Registration will reopen on May 12, 2015 for skills instruction courses.**

### 5<sup>th</sup>-8<sup>th</sup> Grade Summer School Registration Information

- This brochure contains course information for students entering 5<sup>th</sup>-8<sup>th</sup> grade.
- Classes for grades 5-8 skills instruction, and enrichment classes will be held at Nature Hill Intermediate School, 850 Lake Drive, Oconomowoc, WI, with the exception of Oconomowoc Power, which is held at Oconomowoc High School.
- Summer school dates are June 22 – July 31, 2015 (6 weeks). **There is no school on Friday, July 3, 2015.**
- Questions regarding summer school can be emailed to [Summer@oasd.org](mailto:Summer@oasd.org) or by calling 262-560-2115 during regular school hours.
- Class hours are 8:15-10:15 a.m., and 10:20 a.m.-12:15 p.m. unless otherwise listed.
- NO transportation is provided for summer school, and NO SHUTTLE BUS service is provided between sites.
- Course Fees: **(all fees are non-refundable unless the course is canceled due to low enrollment)**  
*In-District Students - see each course description for fee.*  
*Out-of-District Students - \$40.00 plus regular course fee per class (see each course description for fee).*
- The enrollment limit for enrichment classes is 25, unless otherwise noted. No extra sections will be added.
- **No confirmation email will be sent after you have registered for classes.** You will only be notified in the event of a conflict, or a canceled class. Should a class be canceled, an opportunity to choose an alternate class will be offered (if one is available), or a refund will be applied to your account.
- **NO WAITING LIST WILL BE MAINTAINED FOR COURSES THAT ARE FULL.** Check back during the registration time period to see if a seat has reopened for the class you wish to register for.
- Instructors listed in the Summer Opportunities brochure are subject to change.
- Students are expected to attend summer school daily. Parents are asked to contact the school office where the student is attending summer school to report an absence (illness). If the student will be absent for an extended period of time (i.e., vacation, camp, etc.), notify the instructor directly (email or call).
- Students may wear casual dress during summer school. It is expected that clothing be neat, clean, and appropriate for school. The OASD dress code policy applies for summer school. No hats are allowed in class, and all students must wear shoes (no flip-flops).

### WEB (WHERE EVERYONE BELONGS) AT NATURE HILL & SILVER LAKE

WEB is a peer leadership program designed for Oconomowoc Area School District intermediate school students. Current seventh grade students will assume leadership responsibilities, demonstrate good citizenship at school, and in the community during the 2015-2016 school year. WEB leaders will be trained to welcome, extend friendship, be helpful, and mentor incoming fifth grade students. During training, students will practice communication skills, increase empathy and understanding for new students, and learn to lead team and skill building activities.

A group of seventh graders will be selected to participate in this leadership group. Students must complete an application during May, and will be selected based upon their ability to get along with others; their helpfulness to others; their punctuality and attendance record; their general disposition, the quality of work in and out of class; their attentiveness in class; and how well he/she will represent our intermediate schools. In addition, WEB leaders will serve as tour guides, and help lead special activities during orientation day, and open house at the start of the school year.

*The two-day training session is required for participation in WEB. Registration is NOT required at this time. Students may apply in May, and will meet in early June to discuss/preview the summer training session. More information will be sent to selected students over the summer.*

## iCAMP 2015

### **iCamp 2015 WORLD FAIRE (The Past, The Present, Our Future)**

Have you heard of a world faire? Do you like to innovate, create, and explore? Then iCamp 2015 is for you! This class is an innovative, and exploratory week-long camp for students entering grades 1-7. Using science, technology, communication, and art as the four driving forces, this highly engaging, activity-based class will give students a camp-like feel, and an invention-like attitude. We will be exploring the ancient world, the current planet, and the future, to create the 2015 Oconomowoc World Faire. Be prepared for games like Real Life Angry Birds, lessons about robots, science projects using the latest computer apps, and much more. iCamp is a hands-on, digitally enhanced learning experience. Students will research, design, build, and create all week long. By the week's end, students will have developed a showcase exhibition featuring the past, present, and future. The world faire is only months away! Check out iCamp 2015, the most exciting summer camp in the Lake Country... possibly the WORLD!
