

Elementary School Vacation Request Form

(Please complete one form per child)

When at all possible, family trips should be planned so as to not interfere with a student's school attendance and education. If this cannot be arranged and students must be absent from school for the purpose of a family trip, a student will only be excused for a maximum of ten (10 days) per school year.

Student absence requests should be submitted at least one week in advance of the planned absence. The request should be made on this form and submitted to the principal for approval.

It will not be possible for all the missed schoolwork to be prepared ahead of time. Some work may be very difficult to complete outside of the classroom. The teacher will inform you of any homework that needs to be completed during the missed school days. If homework is provided ahead of time, it is expected that the work be completed and turned in when the student returns to school.
