Welcome

Today we have the opportunity to celebrate and honor individuals who have coached, supported, or participated in the athletics program here at Oconomowoc High School. Your body of work and dedication while at OHS has inspired many and helped shape the Athletic Department into what it is today. Our goal is to induct as many individuals as we can into the OHS Athletic Hall of Fame over the coming years. Our committee would like to welcome our second Hall of Fame Class!

While on your athletics journey, there were many people who had the opportunity to watch and support you. This celebration allows the time necessary to rekindle some old friendships, relive the glory days, but most importantly thank those who helped you along the way.

I would like to personally thank our OHS Athletic Hall of Fame committee for their dedicated and superb work over the past couple of years. While COVID may have delayed our second Hall of Fame induction, our group never stopped working to make this event special. I would also like to thank our District Administrative team and the Board of Education for their continued support. In closing, thank you to all our sponsors, families, alumni, and community for supporting and attending today's banquet.

Congratulations

OHS Athletic Hall of Fame Inductees!
