OCONOMOWOC HIGH SCHOOL ATHLETIC HALL OF FAME

WWW.OASD.ORG/HALLOFFAME

Welcome

Today we have the opportunity to celebrate and honor individuals who have coached, supported, or participated in the athletics program at Oconomowoc High School. Their dedication and achievements while at OHS have inspired many and helped shape the Athletic Department into what it is today. Our goal is to induct as many individuals as we can into the OHS Athletic Hall of Fame over the coming years.

Our committee would like to welcome our sixth Hall of Fame Class! While on their athletics journey, there were many people who encouraged, celebrated, and supported our Hall of Fame inductees. This celebration allows the time to rekindle old friendships, relive the glory days, and most importantly thank those who helped them along the way.

CONGRATULATIONS
OHS Athletic Hall of Fame Inductees!

Robert Cicen

ATHLETE: 1964 - 1968

DECEASED: 2015

Bob was the Rockstar athlete of our family. As a player, he was the inspiration to his teammates through his skill set, confidence, charisma, and humor. As a coach, he had an uncanny ability to identify individual characteristics of his players and motivate them through his personal connection to form a unique bond. Sports in the later 60's were very special for kids growing up in Oconomowoc. We were able to witness on Friday nights, wonderful performances of our local heroes that brought Conference Championships in both Basketball and Football that Inspired many kids to become future athletes. Bob was a special part of those teams. He was especially proud to bring the game of Rugby to Lake Country. His greatest joys are his daughter, Cherstin, and grandchildren Wyatt and Camille. Erin Leahy

ATHLETE: 1991-1995

It's such a joy to reflect on my years at OHS, especially my experiences in athletics. While I remember some great wins, a few tough losses, and Coach K's pep talks, what stands out most is the feeling of belonging to something greater than myself. I feel such gratitude to have been accepted and included as an integral part of a team and larger community that I sometimes wonder if it saved me—this gift of being completely authentic and truly belonging: t-shirt, jeans, ponytail, and all; maniacally laughing with teammates, trying to get away with nonsense in practice, and then playing our hearts out. Of course, I learned perseverance, teamwork, and how to get back up after failure. But most importantly, I learned that when you know your worth and surround yourself with people who believe in you, there is no limit to what's possible. Thank you for this incredible honor and for including me yet again. And a big thank you to all of my teammates and coaches—you will always be a meaningful part of this wild journey.

Heather Brockway

SPECIAL CATEGORY: Friend of OHS Athletics

As my parents told me, and I have in turn told our kids. Take pride in your school and community and give back whenever and however you can. You were able to have the experiences you did because someone else did that for you.

- Heather Brockway

CONTRIBUTIONS TO OHS ATHLETICS:

- Oconomowoc Sports Booster Club, Booster of the Year, 2013-14.
- Volunteered as a team parent for all of our kids' multiple sports.
- Became a member of the Booster Club in 2007 and am still involved. As part of the club I have been in charge of team photo days for the program guide, and I am the team parent coordinator and am in charge of making photo buttons for the teams.
- Our oldest son, Gregory, has also joined the Booster Club, and I assist him with the annual Booster Club tailgate event.
- I have been blessed to make so many friends throughout my time with the club and continue to enjoy working with so many great people.
- Was part of the inception of the Oconomowoc Gridiron Club and served as a board member from 2010-2021.
- Our family took the lead on coordinating the Shootin' for Touchdowns fundraising event.
- Helped coordinate the senior nights and the team dinners for the players.
- The time spent with all of the groups we have been a part of has truly been a family effort. My husband, Michael, and all of our kids have helped out in every area, from helping make buttons to covering time in the concession stand when we were short on volunteers to helping with so many fundraisers. It has been a rewarding experience for us all.
- My husband, Michael, and I are both Oconomowoc High School graduates and have raised 7 children who were all athletes and graduates of OHS, so we take great pride in our school.
- We are very grateful for the great coaches our children all had, who made a huge impact on their lives. My mother was also an OHS grad, and my parents were longtime supporters of all Oconomowoc athletics, so I grew up attending many athletic events.
