# Welcome

---

Tonight we have the opportunity to celebrate and honor individuals who have coached, supported, or participated in the athletics program at Oconomowoc High School. Your body of work and dedication while at Oconomowoc High School has inspired many and helped shape the Athletic Department into what it is today. Our goal is to induct many individuals into the OHS Athletic Hall of Fame over the coming years, but this class of inductees will stand out as our inaugural class.

While on your athletics journey, there were many people who had the opportunity to watch and support you. This celebration allows the time necessary to rekindle some old friendships, relive the glory days, but most importantly thank those who helped you along the way.

I would like to personally thank the OHS Athletic Hall of Fame committee for their dedicated and superb work over the past seven months. Without them, this event would not be possible. I would also like to thank the support shown by our District Administrative team and the Board of Education. In closing, thank you to all our sponsors, families, alumni, and community for supporting and attending tonight's banquet.

## *Congratulations*

*OHS Athletic Hall of Fame Inductees!*

### John Kleinschmidt

ATHLETE: 1956-1959 COACH: 1977-1999

It is quite an honor to be inducted into Oconomowoc High School's Inaugural Athletic Hall of Fame. Back in the mid-1950s, I had the honor of playing football and baseball for Mr. Virgil Licht and Mr. Bill Martin. Along with basketball and our State Baseball Championship. OHS sports provided me with tremendous experiences that prepared me for a rather full life. Wow! How fortunate was I to be able to begin at Cooney and end my career here in at Cooney!

## 2019 HALL OF FAME INDUCTEE

### Bill Martin

COACH: 1959-1983 DECEASED: 2000

Coach Martin was competitive to the core and had a thorough understanding of the game that helped him maximize his player's talents. Not one to sugarcoat player performance, his players knew where to focus on improvements. Coach Martin understood that a majority of baseball is mental, both in personal discipline and knowing where the play is at all times, knowing what the count is at all times, knowing where you are at in the lineup if you are on the mound. He kept paper in his back pocket for only one reason, to record mental errors. Bad throws or a missed catch were unfortunate. Throwing to the wrong base, missing a sign, not knowing where to be on a back up were inexcusable. The mental errors were the ones that led to opponent runs and lost ballgames and were preventable in his view. Coach Martin had a lasting impact on many of his players, like Max Weibel, a member of the 1976 and 1977 state tournament teams, who said, "He developed my coaching style by holding his players accountable for their actions. You knew where you stood as a player because he didn't mince any words. Maybe at the time, it was tough, but he got me ready for the real world. He was the best coach I ever played for, but I didn't realize it until I became a coach myself." Ed Waylock, a member of the 1980 and 1981 state championship team, added, "He had a good touch when needed as far as key calls within the game and lineup changes were concerned. The players liked to refer to his style as throwing ball bag and bats on the field and letting us play."

## 2019 HALL OF FAME INDUCTEE

Ed Rux

COACH: 1964-1999

Ed is no longer able to speak due to his illness but in his induction into the WFCA Hall of Fame in 1999 he was quoted as saying: "This is an award that is shared by the people of my City. Those players who have allowed me to coach them share the greater portion of the award. The hundreds of young men who have worked hard for the victories are the pride of the OHS program. It was they who worked in the classroom, worked in the off-season, and worked their hardest each practice to achieve in every contest." Ed also acknowledged the many great assistant coaches that he had the pleasure of working with through the years that helped establish the fine Football Tradition at OHS.

### Steve Wagner

ATHLETE: 1969-1972

Friday nights were a special place under the lights at the Armory. I remember the smell of the grass and how dewy it would get late in the season and late in the game, how the chalk lines stuck to your jersey when you tackled someone. I grew up watching the games, seeing Oconomowoc win, then running onto the field right after to get in a quick game of touch with my buddies before the lights shut off and how the entire town came out to see their team compete. It was a civic event; everyone's pride was on the line. Nothing was more important than winning on Friday night in front of our town. It is an unforgettable part of my life.
