## NON-USE OF SCHOOL PROVIDED TRANSPORTATION FORM

(Extracurricular Activity / Field Trip)

While it is the Oconomowoc Area School District's (OASD) expectation that students utilize school provided transportation when it is provided, exceptions may be allowed. It is District policy for parents to give a minimum of one day notice to the school administration that their child/student will not be utilizing the school provided transportation.

OASD is providing student transportation for this event/activity/fieldtrip. The District does not consent to the student's use of an alternative method of transportation and will not be responsible for the student if he or she fails to use the District's transportation to and/or from the event/activity/fieldtrip.
