WELCOME TO OUR GRADUATES, STAFF & GUESTS!

Welcome to Rux Stadium at Oconomowoc High School, as we celebrate the Commencement Ceremony for the OHS Class of 2026!

*It is my honor to lead us through today's ceremony as we recognize the collective and individual accomplishments of the Class of 2026. Our theme for the Class of 2026 celebration is: **Next is Now!** This message forces us to reflect on our life journey and how we are called to make our community and world a better place.*

*To our graduates, we recognize that while this transition point in your lives can be overwhelming, you have been preparing for this **NEXT** phase of your life, and **NOW** is your time. Beyond that, the Class of 2026 is uniquely positioned to drive innovation and foster progress. The opportunities you have experienced at OHS have given you the skills and knowledge to tackle complex issues in an ever-changing world. I am more than confident that you are ready for whatever you have defined as your **NEXT**.*

*To our staff, family, and friends, thank you for your trust as these graduates navigated this exciting, fun, and sometimes challenging phase of their lives. Today, we not only celebrate our graduates, but we also celebrate you, for your guidance through the tough times, the encouragement to find success, and the sacrifices you made. **Next is Now!** and the next chapter of our graduates' lives has been made possible by your love, wisdom, and support.*

*Finally, thank you to our community. We have countless local business partners who volunteer their time and resources to help bring learning to life. Whether you spoke to a class, hosted a youth apprentice, donated to a scholarship, or employed one of our students, you have helped contribute to our mission of preparing students to be career, college, and life-ready. **Next is Now!** and we are thankful for the investment you have made in this incredible group of young adults.*

***Next is Now!** is not just a motto; it is a call to action. It should remind all of us that our actions today hold the potential to redefine tomorrow. Whether we are a graduate, a proud family member, a dedicated staff member, an honored guest, or a loyal friend, we all share a sense of pride as we send the Class of 2026 out in style!*

*Go Raccoons!
Jason Curtis, Principal*

GUEST OF HONOR SERGEANT PAT HOGAN (RETIRED)

We are honored to present Sergeant Pat Hogan as this year's Guest of Honor. Pat recently retired from the City of Oconomowoc Police Department after 24 years of service to our community. Affectionately known for many years as Officer Hogan, Pat served as our School Resource Officer from 2007-2016. During Pat's time at OHS, he walked the halls to build relationships with students, studied our facilities to ensure our campus was safe and secure, and sat with students and families during some of the most challenging times in their lives. After leaving OHS, he was promoted to the rank of Sergeant and stayed connected to OHS by coaching (really intensely!) our Powderpuff Teams at Homecoming (he will say he had a winning record...) and supporting Officers Parkhurst, Hass, and Palm in their roles as School Resource Officers for the entire Oconomowoc Area School District.

Sgt. Hogan truly embodies what it means to live our Raccoon values: being grounded in our purpose, committed to our goals, and accountable to ourselves and each other. He is a model of what it means to love your job, follow your passions, pursue opportunities to advance your career, follow through on ideas, and hold yourself to high expectations. This mindset comes through in his words and actions, which make him an incredible role model for a previous generation of Raccoons, a friend to so many in our community, and an example of how our graduates should always strive to be their best, give back to our community, and work tirelessly to lift each other up.

Thank you, Sgt. Hogan for your leadership and support!

STAFF SPEAKER - MR. DAVE SCHWEDER

This year's staff speaker is Mr. Dave Schweder of the Social Studies Department. Mr. Schweder has taught U.S. History and Economics in the Oconomowoc Area School District since 1999. Before coming to OHS in 2011, he taught at the "old" Middle School and Nature Hill Intermediate. In addition, Mr. Schweder has served as a varsity softball coach for 20 years and a football coach for all levels, from 1999-2017, and will return to the sidelines next year as a freshman football coach.

As a Social Studies teacher, Mr. Schweder takes great pride in helping his students learn about the past so that they are inspired to be the next generation of leaders. In his classroom, he brings a spark and energy that can jolt any sleepy Raccoon on a Monday morning, a passion for economics and history that will have you hooked from bell to bell, and a sincere dedication to his students that has alumni and former players reaching out to "Schweder" to catch up, seek advice, and share in their life accomplishments.

The Class of 2026 is honored to have Mr. Schweder serve as their Staff Speaker as he shares one last lesson with them before they officially graduate.

Congratulations and Thank You, Mr. Schweder!
