Registration for Courses (OASD Students)

- **NEW Registration Process:**
 - Current OASD families must complete the *Summer School Intent* form before registration opens.
 - Log into Skyward Family Access and click *Online Forms* in the left-hand menu, then fill out the *2024 Summer School Intent* form.
 - Current families will not be able to register for Summer School on April 2 without completing this form.
- Registration for high school courses begins at 8:00 a.m. on May 1, and ends at midnight on May 31.
- Registration is completed using your Skyward Family Access online account.
- We recommend logging into Skyward Family Access before registration to ensure your account is up to date.

Registration for Courses (Non-OASD Students)

- Registration for high school courses begins at 8:00 a.m. on May 1, and ends at midnight on May 31.
- Private, Parochial, and non-OASD families need to complete the “Non-OASD and Parochial/Private School Student Application Form” at www.oasd.org/SummerSchool.
- **This form should be completed every year before Summer School registration, even if your child has attended OASD Summer School before.**
- If you have questions, please contact FamilyAccess@oasd.org or (262)-560-2170.

Payment Process (OASD Resident)

This payment information pertains to students with primary residence within the OASD boundary, regardless of the school (OASD, private, parochial) they attend:

- Payment by credit or debit card is required at the time of registration.
- Summer School courses will be deleted if the course fees have not been paid within 24-hours of the registration.

Payment Process (Non-OASD Resident)

This payment information pertains to students with primary residence outside the OASD boundary, regardless of the school they attend:

- Payment by credit or debit card is required at the time of registration.
- Non-OASD residents will be charged \$40.00 per course, in addition to the course fees listed within the brochure.
- Summer School courses will be deleted if the course fees have not been paid within 24-hours of the registration.

Repeating Courses

Many courses are offered multiple terms or times. In these situations, the programming and projects are the same each term or time the course is offered. Families who register a child for the same course twice will receive the same materials twice and be charged the course fee twice.

2024 Summer School Waiver

Families will be required to complete an online 2024 Summer School Waiver form during the Summer School registration process. This waiver form must be complete before a student can attend Summer School.

Attendance & Illness Guidelines

Students are expected to attend Summer School each day unless they are ill. Based on the OASD Illness Guidelines, students and staff who are ill must stay home from Summer School. Families are expected to call the Summer School attendance line to report an absence due to vacation or illness and provide information on the illness and symptoms.

OHS Summer School Attendance (rings to Silver Lake Intermediate): (262)-560-4302

Transportation

No transportation is provided for Summer School, and no shuttle bus service is provided between Summer School sites.

Canceled Courses

Summer School courses may be canceled due to low enrollment. If a Summer School course needs to be canceled, the Summer School office will contact everyone who has registered for that course and assist with registering for other courses or provide a refund.

Dress Code

The OASD dress code policy applies to Summer School. Students may wear casual clothing that is neat, clean, and appropriate for school.

Questions?

If you have questions about Summer School courses or registration, please contact Summer@oasd.org or (262)-560-2115.

O-POWER: CO-ED FOR STUDENTS ENTERING 9TH – 12TH GRADE

SIX-WEEK COURSE BEGINNING ON JUNE 10

O-Power Co-ed is for male and female students entering grades 9-12 who are at a beginner/intermediate level of training. The program is focused on introducing and reinforcing proper movement techniques in the weight room with the goal of increasing each student's foundational strength, speed and endurance. Students will also have the use of TEAM BUILDER which is a progress monitoring tool. This will allow students and coaches to identify strengths of each individual and also identify areas that need more focus. The course allows students to train with coaches across multiple sports in a highly structured and safe environment. Our program will work to maximize results while also minimizing injury using proper movement patterns with appropriate training loads. Throughout the course students will train in the weight room, on the field, and in the gym to improve their overall strength, speed, power, explosion, core strength, agility, and flexibility.

TRAINING STRUCTURE

- The course is structured so that students train in groups of 60 athletes.
- Students will move through two 45-minute stations: Weight Room/Turf or Upper Gym if weather dictates.
- All students will use TEAM BUILDER, a progress monitoring tool which provides data for each individual student.

UNIQUE DATES: JUNE 10 – JULY 18 (MONDAY – THURSDAY ONLY)

O-POWER: FEMALE ONLY
FOR STUDENTS ENTERING 9TH – 12TH GRADE

SIX-WEEK COURSE BEGINNING ON JUNE 10

This course is for female students in grades 9 – 12 who are at a beginner/intermediate level of training. The training program will focus on introducing and reinforcing proper movement techniques with the goal of increasing an athlete's foundational strength, speed, and muscular endurance, as well as addressing the specific training needs of the female athlete.

This course will allow students to train with coaches from multiple sports in a highly structured and safe environment. Our training program aims to maximize the athletic abilities of our athletes while minimizing injuries by emphasizing correct movement patterns with appropriate training loads. Through the week, athletes will train in multiple athletic areas; speed, strength, power, plyometrics, agility, core strength, and flexibility.

TRAINING STRUCTURE

- The course is structured so that athletes train in groups of 60 athletes maximum.
- The athletes move through two stations on the turf and in the PDC.
- The cohort model allows athletes to receive direct instruction on movement patterns while also maximizing their 90-minutes of training and for coaches to modify the training to fit each athlete's training experience and needs.

UNIQUE DATES: JUNE 10 – JULY 18 (MONDAY – THURSDAY ONLY)

Time: 9:45 – 11:00 a.m.

SOCIAL STUDIES – CREDIT RECOVERY FOUNDATIONAL COURSES

Students who have a failing grade in one of the courses listed below may be eligible to recover credits during the summer. These courses are structured in a blended format, where students are required to attend the face-to-face classes while also completing online tasks or small group study sessions to remediate credit. Student attendance is an essential component of these courses.

Families with students who are eligible for this course will receive information by email from their OHS Counselor.

Registration will be completed by OHS staff; families and students do not need to register.

COURSE TIMES: Classes will be 1 hour and 15 minutes long. Students will select a specific course with their counselor.

ATTENDANCE: Failure to attend class will result in an F for the course grade.

UNIQUE DATES: JUNE 11 – JULY 26 (NO CLASSES JULY 1 – 5)
