Registration for Courses (OASD Students)

- Current OASD families should log into Skyward Family Access, click *Online Forms* in the left-hand menu, and fill out the *2025 Summer School Intent Form and Waivers* before May 30.
- Current families will not be able to register for Summer School on April 1 without completing this form.
- Registration is completed using your Skyward Family Access online account.
- We recommend logging into Family Access before registration to ensure your account is up to date.

Registration for Courses (Non-OASD Students)

- Private, Parochial, and non-OASD families need to complete the *Non-OASD and Parochial/Private School Student Application Form* at www.oasd.org/SummerSchool.
- **This form should be completed every year, before Summer School registration, even if your child has attended OASD Summer School before.**
- If you have questions, please contact FamilyAccess@oasd.org or (262)-560-2170.

Payment Process (OASD Resident)

This payment information pertains to students with primary residence within the OASD boundary, regardless of the school (OASD, private, parochial) they attend:

- Payment by credit or debit card is required at the time of registration.
- Summer School courses will be deleted if the course fees have not been paid within 24-hours of the registration.

Payment Process (Non-OASD Resident)

This payment information pertains to students with primary residence outside the OASD boundary, regardless of the school they attend:

- Payment by credit or debit card is required at the time of registration.
- Non-OASD residents will be charged \$40.00 per course, in addition to the course fees listed within the brochure.
- Summer School courses will be deleted if the course fees have not been paid within 24-hours of the registration.

Repeating Courses

Many courses are offered multiple terms or times. In these situations, the programming and projects are the same each term or time the course is offered. Families who register a child for the same course twice will receive the same materials twice and be charged the course fee twice.

Free/Reduced Lunch Program

If your student is currently using the Free or Reduced Lunch Program, you may qualify for the math and/or literacy workshop courses free of charge. Courses that are listed under the enrichment section will not have reduced fees and must be paid in full.

Attendance & Illness Guidelines

Students are expected to attend Summer School each day unless they are ill. Based on the OASD Illness Guidelines, students and staff who are ill must stay home from Summer School. Families are expected to call the Summer School attendance line to report an absence due to vacation or illness and provide information on the illness and symptoms.

Nature Hill Intermediate Summer School Attendance:
(262) 569-4942

Transportation

No transportation is provided for Summer School, and no shuttle bus service is provided between Summer School sites.

Canceled Courses

Summer School courses may be canceled due to low enrollment. If a Summer School course needs to be canceled, the Summer School office will contact everyone who has registered for that course and assist with registering for other courses or provide a refund.

Dress Code

The OASD dress code policy applies to Summer School. Students may wear casual clothing that is neat, clean, and appropriate for school. No hats are allowed in class, and students must wear appropriate shoes.

YMCA Summer School Camp

The YMCA is offering a Summer School Camp at Nature Hill Intermediate School for students enrolled in Summer School. The flyer at the back of the brochure contains more information. Please contact the YMCA at Pabst Farms for additional information or registration.

CREATING COMICS – FOR STUDENTS ENTERING 4TH – 6TH GRADE

This class focuses on developing an understanding of how story structures work and helps students build their reading and writing skills. Students will have the opportunity to strengthen their reading skills by analyzing story structures in their books. Students will also work on their writing skills by building story structures as they develop their cartoon stories using the storytelling principles.

Cartooning: Every cartoon has a beginning, a middle, and an end. We will use mentor texts to develop a deeper understanding of writing a story and then transition our work into a comic strip. Students will develop believable characters that can carry a story by determining what they look like, their personalities, and their purpose in the story. Basic techniques for animating characters will be covered. This cartooning class also teaches students how using images can create a specific feeling with a cartoon. Students learn techniques for using simple pictures by well-chosen words to create meaning for the reader. We'll study comic books, comic strips, and graphic novels to determine how cartoon communication works.

O POWER: CO-ED (SIX – WEEK) FOR STUDENTS ENTERING 7TH & 8TH GRADES

SIX-WEEK COURSE AT OCONOMOWOC HIGH SCHOOL – JUNE 9 – JULY 17

This course allows 7th and 8th-grade athletes to train with coaches from multiple high school sports in a highly structured and safe environment. The goal of the 7th and 8th-grade O-Power program is to introduce athletes to the core movement patterns that athletes need to master to train effectively when they enter high school and participate in O-Power.

Athletes will begin each session with a 30-minute field session that includes instruction on fundamental movement patterns needed for an athlete to maximize their speed and power. This session will include sprint technique, plyometric technique, and change of direction technique.

The athletes will then have a 30-minute session in the weight room. In the weight room, athletes will be exposed to the core movement patterns used in the weight room using their body weight and light weights. The goal for athletes at this age is to learn to move correctly in the following movements: squat, hip hinge, deadlift, upper body push, and upper body pull. The program is designed to progress athletes from the most basic variation of these movements, using bodyweight and resistance bands, to more intermediate variations using dumbbells.

SUMMER BOOK CLUB – FOR STUDENTS ENTERING 5TH – 8TH GRADE

Calling all bookworms! This is a fun, hands on workshop for the avid reader. In this workshop you will participate in a summer book club. Each group of students will learn about the benefits of a book club and participate in different group activities while reading the book chosen by the group. We will read together as a whole group, in small groups and independently. While reading the chosen book, you will also have fun activities that go along with what you are reading. Some of these include designing bookmarks, creating book art, discussing what you like, dislike and would change about the book as we read and so many more! We will also participate in different snack days, based on the different parts of the book we choose. (All peanut and tree nut free - communication will be sent home before any snacks are brought into the classroom to accommodate for any other food allergies).

We are bound to be explorers! Get in touch with your senses through an exploration of the nature that surrounds us. We will actively explore the "wilds" of Nature Hill while creating journals that capture our adventures. Explorers will be learning to identify various flora and fauna through sketches of woodland observations. Be prepared to move, learn, and explore! Each student will receive an outdoor adventure pack containing a drawstring backpack, colored pencils, and a journal. Students will create a collage of their explorations that they'll also bring home after the last day of class.

WHERE EVERYONE BELONGS (WEB) – FOR STUDENTS ENTERING 8TH GRADE

AT NATURE HILL & SILVER LAKE INTERMEDIATE SCHOOLS IN AUGUST

WEB is a peer leadership program designed for OASD intermediate school students. Current seventh-grade students will assume leadership responsibilities, demonstrate good citizenship at school, and in the community during the 2024-2025 school year. WEB leaders will be trained to welcome, extend friendship, be helpful, and mentor incoming fifth-grade students. During training, students will practice communication skills, increase empathy and understanding for new students, and learn to lead team and skill-building activities.

A group of seventh graders will be selected to participate in this leadership group. Students who are interested in becoming a WEB leader must complete an application in May. Students will be selected based upon their ability to get along with others; their helpfulness to others; their punctuality and attendance record. Their general disposition, the quality of work in/out of class; their attentiveness in class; and how well he/she will represent our intermediate schools.

WEB leaders will serve as tour guides, help lead special activities during orientation day, and open house at the start of the school year.

*The training session is required for participation in WEB. **Registration is NOT required at this time.** Students may apply in May and meet in early June to discuss/preview the summer training session. More information will be sent to selected students over the summer.*

BEGINNING BAND & ORCHESTRA JUMP-START FOR STUDENTS ENTERING 5TH – 8TH GRADE

This jump-start class is intended for all **NEW** band and orchestra students entering grades 5-8 who have not had previous instruction on their instrument. Students will learn beginning basics like assembling their instruments, proper care and cleaning, proper tone production, and beginning note and rhythm literacy. This class is highly recommended to ensure early success for each student's chosen instrument, even if your child cannot attend all three days of the camp.

If your child will be a "doubler" between Band/Orchestra & Choir during the 2025-26 school year, this class will serve as the necessary lessons required over the summer. If your child has had previous instruction, or formal lessons on their chosen instrument, this camp will be remedial. All are welcome, however!

Necessary materials include an instrument, lesson book, and accessory pack for the chosen instrument.

UNIQUE DATES: AUGUST 4 – 7

HELD AT SILVER LAKE INTERMEDIATE SCHOOL

Time: 11:30 a.m. – 3:00 p.m. each day
