

*Oconomowoc Area School District*  
*Regulations for Community Use of Rux Stadium Field Turf*

In an effort to provide the safest and cleanest facilities possible for all groups who request to use the Rux Stadium Field Turf, the Oconomowoc School District has established the following regulations for use of the Stadium and Field.

**Stadium Field (Turf):**

*Since turf does not regenerate like natural grass, any item that is left on the field stays on the field. Failure to follow school established rules could impact the safety and longevity of the field turf for future users. Please help us to keep the field in safe and admirable condition by following these turf regulations. Facility requestors are responsible for all members of their group/organization.*
