

## ▶ WELCOME TO MEADOW VIEW!

Meadow View is a beautiful school built on nearly 80 acres of land. We have several unique attractions including a natural pond, hiking trails, and a native Wisconsin prairie. - *Jason Schreiber, Principal*

### CELEBRATING 40 YEARS AS A SCHOOL

“40 and Fabulous” was the Meadow View theme in 2014-2015 as we celebrated our 40th year as a school. We celebrated with an all school picture, creating an art installation for our library, a door decorating contest, inviting retired staff members to be honored in the homecoming parade, and more. It was great fun!

### ACADEMIC GOALS

Our school goal focused on improving our students’ growth in reading. Children in need of extra assistance received help from classroom teachers, intervention specialists, and our Reading Specialist in a small group setting. As a result of these and other efforts, our students continued to show strong positive growth as measured by both district measures and standardized testing.

### SCHOOL OF DISTINCTION

We are also proud to have been named a PBIS School of Distinction by the Wisconsin Rtl Center. PBIS is a system-wide proactive framework that enables schools to be more effective and responsive to student social-emotional

*We are great friends at Meadow View!*

needs by implementing a multi-level system of support for behavior. We were one of 157 schools statewide to be recognized as a School of Distinction for the 2014-15 school year.

### MEADOW VIEW PTO

Meadow View continued to build strong partnerships within the building and community. Our PTO was very involved once again this year. Their main goal for the year was helping to infuse technology into our classrooms. They also hosted a family movie night, a school dance, Derby Date Night and other activities that gave our students, staff, and parents the opportunity to gather.

We are excited to continue to provide a high quality educational experience for our students and families! **--OVER**

- Running Club
- Sign Language Club

# About Meadow View, cont'd.

## FROM THE PRINCIPAL-THINGS I HAVE SEEN:

- Students excited about reading, writing, and math.
- Teachers collaborating on lessons and activities.
- Students in music class practicing for our Veteran's Day observance.
- Parent volunteers helping in the room.
- Tumbling activities in gym class.
- 4th grade students learning about Wisconsin history.
- 3rd graders celebrating their writing.
- 2nd graders being introduced to fractions in math.
- 1st grade students reading and writing during workshop.
- 5K students buddy reading.
- 4K boys and girls enjoying a read aloud followed by letter identification and letter sound activities.
- Great artwork on display from art class.
- Students enjoying extra-curricular clubs like Spanish, Student Council, and Lego Robotics.
- Varsity football players volunteering in classrooms reading with our students.

## SCHOOL PERFORMANCE: MAP TEST

We measure elementary academic progress using the MAP test, typically given to students at the beginning of the school year in the fall, and at the end of the school year in the spring. MAP stands for "Measures of Academic Progress." The assessments are taken using a computer. They are adaptive, meaning that the difficulty of each question is based on how well a student answers all the previous questions. Students are tested on Reading, Language Usage, and Math.

MAP assessments are used to measure your student's progress or growth in school from one year to the next. MAP assessments measure a student's growth in math, reading, language usage and science. Teachers use MAP test results to help them keep track of progress and growth in basic skills. Teachers use this information to help them guide instruction in the classroom each day.

### MEADOW VIEW SCHOOL ACHIEVEMENT PROFILE MAP RESULTS: NATIONAL PERCENTILE RANKS-SPRING 2015

Grade (Spring 2015)	Reading	Math
Kindergarten	76	79
1st grade	76	95
2nd grade	86	85
3rd grade	69	84
4th grade	75	88

Notes: National Percentile Rank Score Range(1-99, M = 50): Low Achievement 1-20; Low Average 21-40; Average Achievement 41- 60; High Average 61-80; High Achievement 81-99. Student Growth Summary Report - Spring 2015.
