

Dear Oconomowoc Arts Center friends and family,

The safety of our guests, students, families, artists, volunteers, and staff is always our top priority. With the growing public health concern about COVID-19, commonly known as coronavirus, we want to reach out to let you know what we are doing regarding the Oconomowoc Arts Center.

We are supported by excellent leadership in the district and the state and are monitoring updates on this unprecedented situation daily.

At this time, all professional and student performances, events, rehearsals and access to our art exhibits held in our facility are cancelled as of Saturday, March 14, until further notice. The OAC Box Office will resume regular business hours when the district determines we are able to reopen the facility.

Oconomowoc Arts Center staff will continue to be in close contact with the Oconomowoc Area School District administration and the State Of Wisconsin and will observe their recommendations. If you have any additional questions or concerns, please contact us at info@theOAC.net. Updates will also be posted on the OAC's website at www.theOAC.net.

Here's a list of useful organizations:

- [Centers for Disease Control and Prevention](#)
- [World Health Organization](#)
- [Wisconsin Department of Health Services](#)

Thank you for your support and we look forward to seeing you at a performance in the near future. Stay healthy and safe!

John Cramer
Director, Oconomowoc Arts Center
