DAILY UPDATE

This program will continue as long as the OASD is closed and it will allow families an easy food pick-up plan. District social workers will be on hand to help families through this process. If you do not have a vehicle, please contact your school social worker for delivery arrangements. The OASD recognizes that many families are experiencing hardship due to loss of work; if in need of meals please stop by. We will find a way to support your needs with community donations that have been coming in.
