NEW UPDATES

Elementary & Intermediate School Grading Changes

Like many Districts, OASD is providing continuity of educational services using remote teaching and learning. Our District is taking many steps to ensure quality virtual instruction, learning tools, and resources so that students can meet course requirements. We know that many students were adversely impacted by emergency remote instruction, which significantly altered their normal achievement potential. To be responsive to the individual challenges each of our students and families encountered, we are making temporary changes to our current evaluation and reporting policy for final trimester 3 grades.

Update on Fee Reimbursement

The OASD Business Office is continuing to process fee reimbursements for field trips, sports, activities, and courses that have been cancelled as a result of our school closures. There are a large volume of refund/fee changes and we will continue to process these refunds with a plan to process all reimbursements by June 1, 2020. Fee statements will continue to be generated and emailed each month.

Thank You OASD Staff

Our OASD teachers and staff have had an extraordinary six weeks filled with experiences and challenges they never could have imagined. They have reinvented their work and found new ways to deliver learning to their students. Through all of these challenges, they have continually found ways to shine and to support their students. We'd like to say thank you to all of our OASD staff members for their hard work in these unprecedented times, and for making the Oconomowoc Area School District a great place to learn all of the time. Our #OASDStaffRock this school year and every school year.

Help us say thank you to our staff members! Visit <https://www.facebook.com/oconomowocschools/> and add a positive comment to our Thank You post or download the OASD Facebook profile picture frame. On Twitter, post a positive message using #OASDStaffRock.
