
Registration for Summer School 2020 will open as planned on Tuesday, March 31, 2020, at 6:00 a.m. As a result of our current school closures, we are extending Summer School registration until Wednesday, April 22 at midnight. We cannot determine whether the current school closures will impact our Summer School schedule, but we'll share any changes with families that are registered for Summer School and if necessary, issue refunds.

Registering for Summer School

All registration will occur using your [Skyward Family Access](#) online account. Please log into your Family Access account before the first day of registration, to ensure the names of your children are listed.

The Summer School course brochures are available online at www.oasd.org/SummerSchool along with step-by-step registration instructions and online payment instructions.

New Summer School Schedule

There is a new schedule for Summer School this year with shorter class times so that students can select more courses, and Summer School will again be offered for students entering 5K through 12th grade.

Summer School Payment

In an effort to help families during what might be a time of financial hardship, payment for Summer School will not be required at the time of registration. Payment will be required before Summer School begins, by credit card, debit card, or eCheck. Families who have not paid their Summer School fees prior to the start of Summer School will be contacted by the OASD. Registrations that are not paid after that time, will be deleted from the system.

There will not be a waiting list for Summer School courses, but please check for availability in Family Access for daily.

OHS Athletics Summer Camps

The Oconomowoc High School Athletics Program will again offer summer athletic camps outside of the Summer School program. Additional information on athletic camps is available at www.oasd.org/OHSAthletics.

Summer Camps with the YMCA

The YMCA at Pabst Farms will again offer Summer School Camps at Park Lawn Elementary and Silver Lake Intermediate. Information on those programs is included in the Summer School course brochures. Please contact the YMCA directly at (262) 567-7251 for more information.

If you have any questions about Summer School, please visit www.oasd.org/SummerSchool or email Summer@oasd.org. If you need assistance logging into Family Access, please email FamilyAccess@OASD.org.

DECLARACION DE TRADUCCION
