## OASD FAMILY UPDATE FOR FRIDAY, AUGUST 7, 2020

We will share updates with OASD families every Friday morning during the summer. These updates may be short or they may be long, depending on what new information is available that week. All updates will be posted on our OASD 2020 Learning Hub at [www.oasd.org/LearningHub](http://www.oasd.org/LearningHub).

### NEW UPDATES

#### ***Changes to the OASD Traditional Face-to-Face Learning Option for Fall***

At their August 4 meeting, the OASD School Board approved changing the fall 2020 traditional face-to-face learning option to a face-to-face cohort model at the Elementary levels and a split attendance model at the Intermediate and High School levels. These models represent the District's highest degree of mitigation to reduce close social contacts while still providing an opportunity for students to learn in a face-to-face setting.

To learn more about the Elementary face-to-face cohort model for grades 4K-4 and the split attendance model at the Intermediate and High School levels, [please read the cohort model information that was emailed to OASD families this week](#).

#### ***Online Registration Extended Until Friday, August 7***

The deadline for Online Registration for the 2020-21 school year has been extended until Friday, August 7 to allow families more time to make a final learning selection and complete registration. Online registration information can be found at [www.oasd.org/SchoolRegistration](http://www.oasd.org/SchoolRegistration).

#### ***OCON Virtual Learning Community Program Guide Available***

The OASD is excited to introduce the Ocon Virtual Learning Community (OVLC) as one of the educational options for students in the 2020-21 school year. The OVLC is structured as part of the OASD, not an OASD Charter School. Students who enroll in the OVLC will continue to be part of the OASD and can participate in OASD co-curricular activities or athletics. [Click here to read the initial OVLC Program Planning Guide](#)

The Program Planning Guide and OVLC will continue to evolve as the team finalizes program details leading up to the start of the 2020-21 school year. Information and updated editions of the Program Planning Guide will be posted at [www.oasd.org/OVLC](http://www.oasd.org/OVLC).

#### ***Face Covering Requirements for Students***

On July 30, 2020, the Governor of Wisconsin declared a Public Health Emergency and issued an Emergency Order requiring individuals to wear face coverings when indoors and not in their private residence. This order took effect on August 1 and is set to expire on September 28, 2020. This mandate includes staff and students attending the OASD.

The Oconomowoc Area School District provides assurance that no students, employees or applicants are discriminated against because of sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability.

# WEEKLY UPDATE

At their August 4 meeting, the OASD School Board approved a requirement for students to wear face coverings in schools and on school busses. Schools will develop plans and procedures to provide opportunities for "mask breaks" for students throughout the day. Also, students will not be required to wear masks outdoors or during periods of physical exertion in Physical Education, and during athletic practices and competition.

The District will provide a "Request for Accommodation" form for students who may have medical, mental health, developmental, or other sensory sensitivity that would prevent them from wearing a face covering.
