WEEKLY UPDATE

OASD Needs Substitute Teachers, Paraprofessionals & Food Service Staff

There are several job opportunities available at the OASD for the 2020-21 school year. The most urgent of these are paraprofessional positions, food service positions, and substitute teaching opportunities.

Paraprofessional Positions

To learn more about paraprofessional positions in the OASD, visit the Wisconsin Education Career Access Network (WECAN) website at www.wecan.education.wisc.edu. All open positions are posted in WECAN, year-round.

Substitute Teacher Training & Positions

The OASD is always looking for qualified substitute teachers. If you have a 2-year or 4-year degree, you can easily become certified as a substitute teacher by attending a substitute training workshop which includes short-term substitute permit licensure via the Department of Public Instruction.

OASD COVID-19 Dashboard Updated Twice Per Week

Through OASD School Board meeting discussions and work with the Waukesha County Health Department, the OASD Administration has developed a series of dashboards to display COVID-19 data. These dashboards are updated twice per week and available at www.oasd.org/COVIDDashboard.

FREE Breakfast & Lunch for ALL OASD Students

On Monday, August 31, the U.S. Department of Agriculture (USDA) Food and Nutrition Service unexpectedly announced the extension of their free student meals program that began during the summer. As a result, student breakfast and lunch will be free on the days that students are learning at school face-to-face, and the days that students are learning virtually. This free meal program will continue until the USDA confirms that funding is no longer available or until December 31, 2020, whichever comes first.

For students at the Intermediate Schools and OHS, a free meal option will be available for selection in the lunch service areas. Ala carte and snack items are not included in the free meal program and will remain available for purchase.

When this free meal program ends, families will be charged for meals through their child's Skyward Family Access account based on their student meal status, whether free, reduced or standard price.
