OASD Quarantine Guidelines Update

Last week, Waukesha County Public Health (WCPH), in partnership with local school districts, announced that quarantine guidelines for K-12 schools will immediately be amended in schools that continue to commit to COVID-19 mitigation measures.

OASD Quarantine Changes:

- The OASD will adopt the WCPH guidelines, eliminating mandatory quarantines effective immediately.
- Children who are currently in quarantine due to close contact can return to school on Monday. However, families can continue to self-quarantine their child if they would like.
- The OASD Health Services team will continue to track COVID-19 cases among staff and students and follow their contact tracing procedures.
- Health Services will continue to notify families if their child may have been in contact with someone who is COVID-19 positive and will ask families to monitor their child for symptoms.
- Families may also self-quarantine their child if they so choose.
- Identified close contacts must remain symptom-free and agree to self-monitor for symptoms a full 14 days following exposure.
- If a child shows symptoms of COVID-19, they will need to stay home, and families will need to contact the school attendance line with information on their symptoms.
- OASD Health Services will contact families with additional information about their options for COVID-19 testing, isolation, and returning to school.
- It is important to remember that these new guidelines only apply to exposures that have occurred in the school setting.

School Meals for Virtual Students

Breakfast and lunch are available for all OASD students on their virtual learning days during the 2020-21 school year. Students can order meals each week and pick up those meals every Monday at Oconomowoc High School. Student breakfast and lunch will continue to be free because of the USDA sponsored free meal program.

Families are required to complete a few simple steps on a weekly basis to receive these meals:

1. [Click this link to reach the online order form](#)
2. Complete a separate order form for each student.
3. **Submit your student's order before 2:00 p.m. on Fridays so their meals are available the following week.**
4. Pick up meals on Mondays, between 4:00-6:00 p.m. for the entire week.
5. If a holiday or non-school day is on a Monday, meal pick up will occur on Tuesday, between 4:00-6:00 p.m.
6. If a school week is shortened because of a holiday or non-school day, the number of meals will be adjusted accordingly.
