

WELCOME TO PARK LAWN!

Park Lawn Elementary School is nestled in historic downtown Oconomowoc and was deemed a Blue Ribbon School of Excellence by the United States Department of Education. - *Jennifer Jones, Principal*

At Park Lawn, our 50+ teachers and staff are dedicated to personalizing the learning experiences of all of our students. We closely collaborate with our committed PTO to provide opportunities that make our learning community of approximately 440 students from 4K-4th grade and their families feel welcome and excited about learning.

ACADEMIC SUCCESS

Continuous academic improvement is paramount to the success of all of our students. Over the course of the year, our staff vertical teams collaborated in the areas of literacy, technology, and math while our Building Leadership Team (BLT) monitored data and our progress towards our site goals. Spring assessment data reports that in the area of reading our students grew 3.4% in meeting growth targets while in the area of math they grew 3.8% as measured by the MAP assessment.

EDUCATIONAL ENRICHMENT

Unique opportunities for students to learn and showcase that learning continued whether it was participation in our Wonder Fair, Celebration of Learning,

the second grade poetry reading at Roots Coffee House, third grade field trip to Halquist, or the fourth grade Immigration Simulation.

PBIS SCHOOL OF MERIT

During the 2014-15 school year we continued to grow our Positive Behavior Interventions and Supports (PBIS) with assemblies and school-wide behavior expectations working towards a Responsible, Respectful, and Safe learning environment for all. We added monthly Midnight's Morning Meetings to acknowledge our PBIS efforts and set attainable goals for the upcoming month. Park Lawn was recognized as a PBIS School of Merit and we are looking forward to growing student recognition with the new Midnight's Market, a PBIS reward destination for students.

PARK LAWN PTO

Our PTO had numerous successful events including our 3rd Annual Spaghetti Dinner and Raffle, and continued Bingo, movie, and Culvers and McTeachers nights. Fundraising from their many events continues to support our efforts to grow the Outdoor Classroom. This year,

- 4-by-4 Club
- Kiwanis KClub
- Chess Club
- Engineering Club
- Lego Club
- Football Club
- Media Club/PKL 94
- Safety Patrol

About Park Lawn cont'd.

PTO partnered with Bimbo Bakeries and we were awarded a \$5,000 grant and a day of Bimbo volunteers to build picnic tables and small benches for the Outdoor Classroom. Remaining grant funds were used to construct a pergola in the space.

BEYOND THE CLASSROOM

Memorable experiences this year included the annual Talent Show, which drew a huge crowd, and students again participated in our 2nd annual music video, Panther Pride, and a partnership with the film students at OHS. We also launched new club opportunities for Park Lawn

students this year which included Lego, running and engineering.

In collaboration with Oconomowoc Kiwanis, Park Lawn now hosts a Kiwanis Kids service club for 2nd-4th graders.

STAFF AWARDS AND GRANTS

We celebrated our Herb Kohl Fellowship award winner Becky Beck, who received the honor. Numerous staff sought and were awarded grants this year, including our Title 1 Math Teacher Leader, Buffy Wilkey, who secured a \$12,000 grant which trained all of our certified staff in AVMR math strategies during the upcoming year.

SCHOOL PERFORMANCE: MAP TEST

We measure elementary academic progress using the MAP test, typically given to students at the beginning of the school year in the fall, and at the end of the school year in the spring. MAP stands for "Measures of Academic Progress." The assessments are taken using a computer. They are adaptive, meaning that the difficulty of each question is based on how well a student answers all the previous questions. Students are tested in the areas of Reading, Language Usage, and Math.

MAP assessments are used to measure your student's progress or growth in school from one year to the next. MAP assessments measure a student's growth in math, reading, language usage and science. Teachers use MAP test results to help them keep track of progress and growth in basic skills. Teachers use this information to help them guide instruction in the classroom each day.

PARK LAWN SCHOOL ACHIEVEMENT PROFILE MAP RESULTS: NATIONAL PERCENTILE RANKS-SPRING 2015

| Grade (Spring 2015) | Reading | Math |
|---------------------|---------|------|
| Kindergarten | 73 | 73 |
| 1st grade | 77 | 88 |
| 2nd grade | 72 | 65 |
| 3rd grade | 45 | 70 |
| 4th grade | 70 | 78 |

Notes: National Percentile Rank Score Range(1-99, M= 50): Low Achievement 1-20; Low Average 21-40; Average Achievement 41- 60; High Average 61-80; High Achievement 81-99. Student Growth Summary Report - Spring 2015.
