Student OASD Gmail → Network Username + @stu.oas.org and Network Password
 When resources give students the option to “Sign in with Google”, they would use this.

RESOURCE	WHAT IS IT?	HOW DO WE ACCESS?
	<p>Classlink is a single sign-on platform that allows students to use one username and password to access a variety of online resources utilized by the district.</p> <p>-----</p> <p>Classlink accounts are unique to each student and are most easily accessible through Chromebooks, but can be accessed through a PC or iOS device. Follow these directions for iOS devices.</p>	<p>launchpad.classlink.com/oasd</p> <p>Login → Network Username & Password OR Quick Card from Teacher</p>
	<p>Chrome is a Google Internet Browser that, when logged in, gives students easy access to Gmail, Classroom, Drive, other Google Education Tools and Applications, and OASD Resources.</p> <p>On a personal computer (PC), follow these steps to have the student log into Chrome.</p>	<p>Log into a Chromebook or Chrome on a PC</p> <p>Login → Gmail (Network Username + @stu.oas.org + Network Password)</p>

	<p>Seesaw is an online student portfolio that gives students and teachers a way to learn & interact through pictures, videos, and text, as well as providing a means for teacher/parent communication.</p>	<p>Seesaw App on iOS with a QR Code from Teacher OR Through Classlink on a Chromebook</p>
	<p>Epic provides unlimited access to a selection of books, learning videos, and more.</p>	<p>getepic.com Login→ Use the code from your teacher</p>
	<p>Sora/Overdrive is an extensive online library that offers ebooks and audio books to borrow. View ScreenCast Tutorial to learn more.</p>	<p>Classlink OR Soraapp.com Login→ <i>Network Username</i> <i>Password: oasd</i></p>
	<p>Dreambox is an online tool used for learning and practicing math concepts. The lessons adapt to the needs of the students based on how they do with the questions.</p>	<p>Classlink OR Login→ Information from Teacher</p>
	<p>Some 3rd grade and all 4th-12th grade students use Google Classroom to access learning resources and assignments, & connect with teachers and peers.</p>	<p>Classlink OR Classroom. Google.com Login→ Gmail</p>
	<p>Flip grid is a website/app that gives students the ability to record and share short videos, as well as interact with their peers. Teachers may ask them to use this for brief book reflections and other sharing.</p>	<p>Classlink OR Flipgrid.com Login→ Gmail OR Enter a Flip code from teacher</p>

Questions about expectations of use for any of these resources? Please ask your teacher.

For help accessing any of the resources or support with devices, contact helpdesk@oasd.org or 262-560-2126.
