# Y Play for the Y!

From playing in an action packed game to learning the fundamentals, we provide an atmosphere where fun, individual development and building confidence are top priority. Through YMCA Youth Sports programs, your child will improve skills, overcome challenges, be active and make new friends.

## WHY CHOOSE YMCA SPORTS?

- Everyone plays and everyone wins.
- We believe teamwork and cooperation are keys to success.
- We play fair and respect teammates, opponents, coaches, officials and ourselves.
- Striving to win is an essential part of all sports, but winning is only one of many goals at the Y.
- Smiling, laughing and having fun playing sports is key!

Focusing on skill development, teamwork, sportsmanship and values is what sets Y Youth Sports apart from all other programs.
