

BEST BUDDIES

How it works

Ongoing support-

Each elementary promoters chapter is led by faculty advisors and is assigned a Best Buddies staff member who offer regular support and guidance

Advocate-

Elementary promoters chapters host monthly events, activities, and fundraisers where they advocate for individuals with and without IDD, educate the public about inclusion, and promote the ideals of the Best Buddies mission

Exemplifying Inclusion-

Through involvement in their elementary promoters chapter, participants demonstrate how easy it is to create an inclusive environment and exemplify how to embrace and accept people of all abilities for their peers and school community at large.

**be a friend,
make a friend.**

Best Buddies Elementary Promoters Program

Empowers youth to become advocates for people with and without intellectual and developmental disabilities (IDD) by organizing and attending monthly events that focus on group social interactions, promote inclusion, and bring awareness to the disability rights movement.
