

NATURE HILL INTERMEDIATE

850 Lake Drive | Oconomowoc, WI 53066 | Ph 262 569 4945

After three years of serving the Oconomowoc community, Nature Hill Intermediate School has established itself as a warm and welcoming environment where students excel in academics, the arts and athletics. We serve more than 750 students in 5th through 8th grades, who come to us from Meadow View, Ixonia and Greenland elementary schools. With the rigorous preparation we provide our students in mathematics, language arts, science, social studies, music, visual arts, physical education and technology education, they leave us poised and ready to be successful at Oconomowoc High School and beyond!

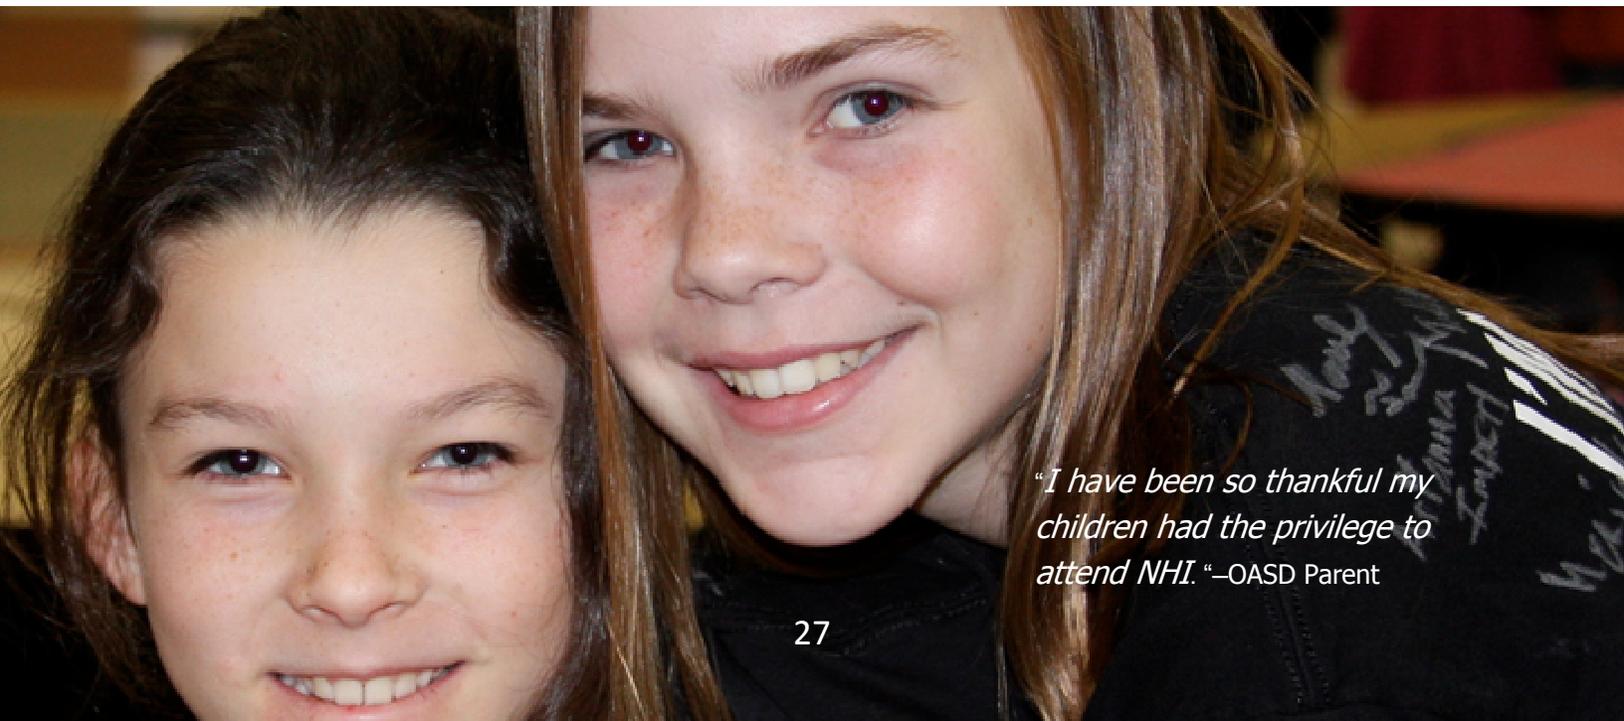

Our students perform exceptionally well on the annual Wisconsin Knowledge and Concepts Exam, with over 90% of all students scoring proficient or advanced in reading and mathematics. We attribute our success to giving students large blocks of time in which to engage with core academic subjects. In addition, students have access to the help they need during daily intervention periods to ensure that every child can succeed.

Our teachers continuously go above and beyond the call of duty to meet the social and emotional needs of our students. We offer numerous extracurricular activities, including Robotics, Student Council, Photography and Ski Club, that develop positive connections between our students, our staff and our school.

Guiding our rigorous core curriculum is the International Baccalaureate Middle Years Programme (MYP) framework. Within this framework, the MYP student profile enhances and expands our students' relationships with our school, community, and the world in which they live, all the while deepening their sense of self and purpose.

The staff, students and families of NHI welcome the opportunities and challenges that a new school always bring. We look forward to doing great things together!

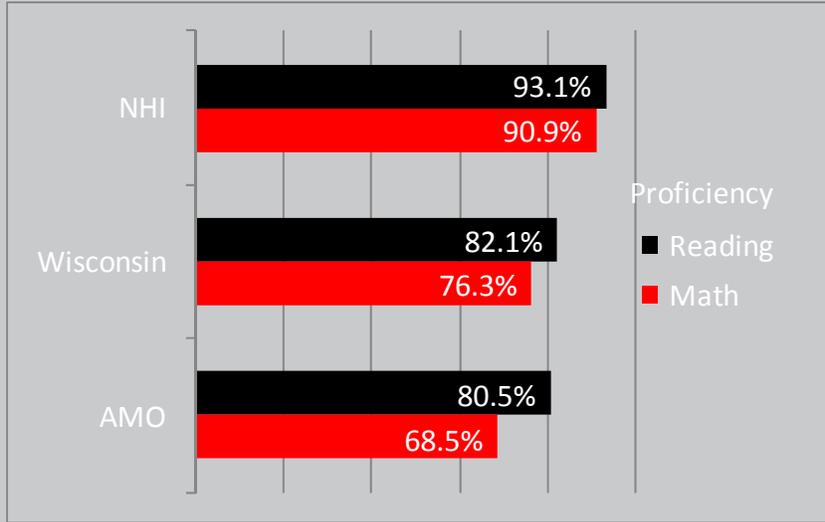

Michael O'Connor, Principal

"I have been so thankful my children had the privilege to attend NHI." —OASD Parent

Achievement

Wisconsin Knowledge & Concepts Exams 2010

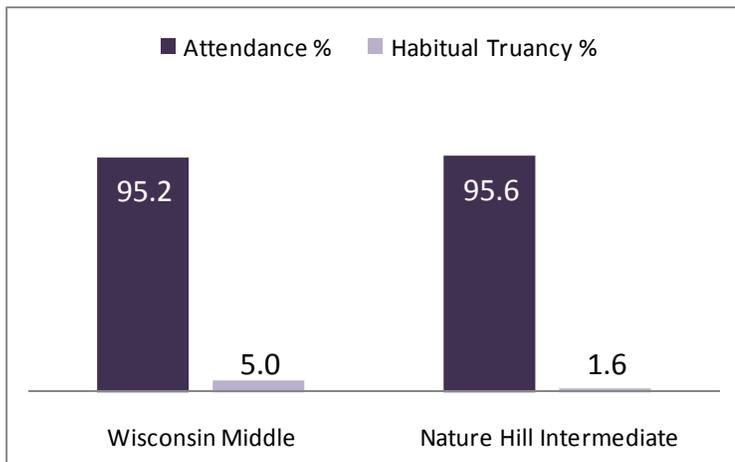

Nature Hill students scored above state proficiency levels and annual measurable objectives (AMO).
