

# SILVER LAKE INTERMEDIATE

555 Oconomowoc Parkway | Oconomowoc, WI 53066 | Ph 262 560 4309

Step inside the doors of Silver Lake Intermediate School and you'll see a passion for lifelong learning as our students become collaborative workers, complex thinkers, and self-directed learners. Silver Lake instructs students in grades 5-8 serving students from Park Lawn and Summit elementary schools. Our academic philosophy ensures that each student has the opportunity to succeed.

With increased class time in math, reading, and writing, science, social studies and expanded options in our Exploratory Program (computer, technology education, Project Lead the Way (pre-engineering), graphic arts, world languages (Mandarin/German/Spanish), music, physical education, and family consumer education) students develop the knowledge, attitudes and skills needed to participate actively and responsibly. WCKE and ACT Explore standardized test results continue to be above state and national standards.

Silver Lake believes Service Learning is mutually beneficial. This year Silver Lake students raised \$7,500 to aid the village of Kikatiti, Africa. Students generated pledges by offering a carnival and a walk-a-thon.

Silver Lake sustained its giving spirit by raising money for and participating in several volunteer efforts such as Bead for Life, Oconomowoc Rotary Project, Oconomowoc Food Pantry, Haiti Relief Efforts, tornado victims in Joplin, Missouri, and sponsoring a program and breakfast for our local veterans.

Guiding our rigorous core curriculum is the International Baccalaureate Middle Years Programme (MYP) framework. Our 8th grade WEB (Where Everyone Belongs) leadership program promotes positive behavior and fosters a sense of belonging. Our "Taste of Excellence" student celebration evening and PTO Spaghetti Dinner allows students to share progress with their families, and celebrate their learning successes.

The 2010-2011 school year had all the elements of a championship year: teamwork, challenges, excitement, intrigue, fun, happiness, and most of all, a successful ending.

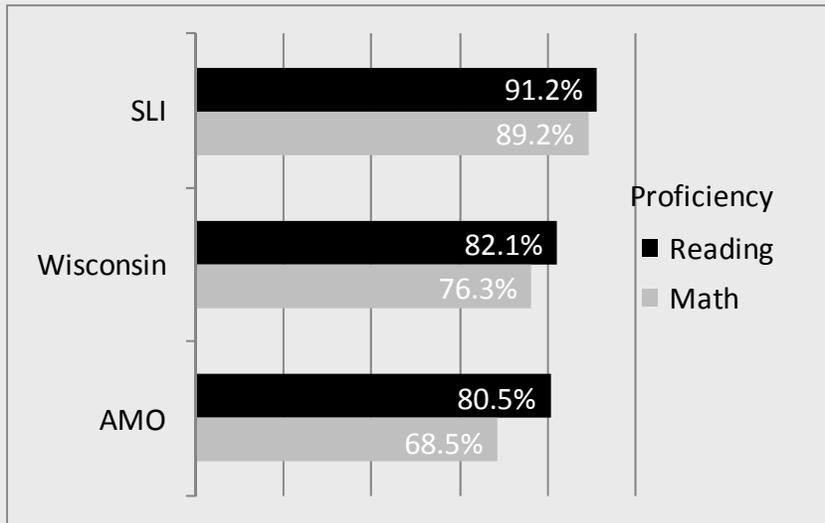

Ellyn Helberg, Principal

*"We are proud to have our children in the OASD! SLI has been an excellent experience for our children and us!"—OASD Parent*
