

SUMMIT ELEMENTARY

1680 Valley Road | Oconomowoc, WI 53066 | Ph 262 560 8305

Summit Elementary School is located next to the YMCA at Pabst Farms and serves more than 550 students from 4K to grade 4. The staff of Summit school is comprised of highly qualified professional educators. Our staff maintains the standards and practices of a professional learning community, collaborating with one another and implementing best practices to further student learning.

Summit students perform very well on the Wisconsin Knowledge and Concepts Exams. For example, 94 percent of our students scored proficient or advanced in math last year. Similar performance was realized in reading.

Summit enjoys a valuable resource in its volunteers. The school's P.T.O. is very active, providing Birthday Books for students, subsidizing field trip costs and hosting family events throughout the year.

Our second annual all-school field trip was a fantastic experience for everyone! Students learned about various artists, interacted with nature, had opportunities to write, and had a blast with their friends at school! We would like to thank the 60+ parent volunteers who braved the great outdoors with us! We would also like to thank Imagine a Day, the Courtney Bella Foundation, for funding this wonderful experience for our students!

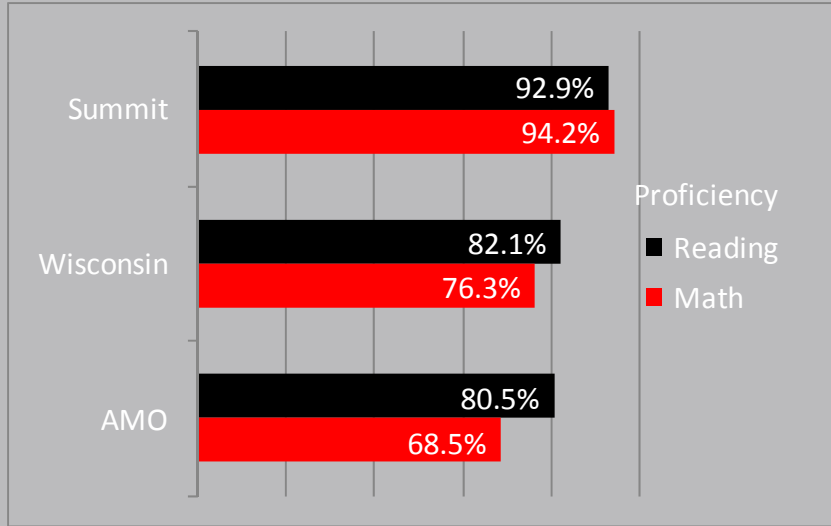

Robin Wilson, Principal

"I am always impressed by the level of respect that you see in the school and when we go on field trips." —
OASD Parent

Achievement

Wisconsin Knowledge & Concepts Exams 2010

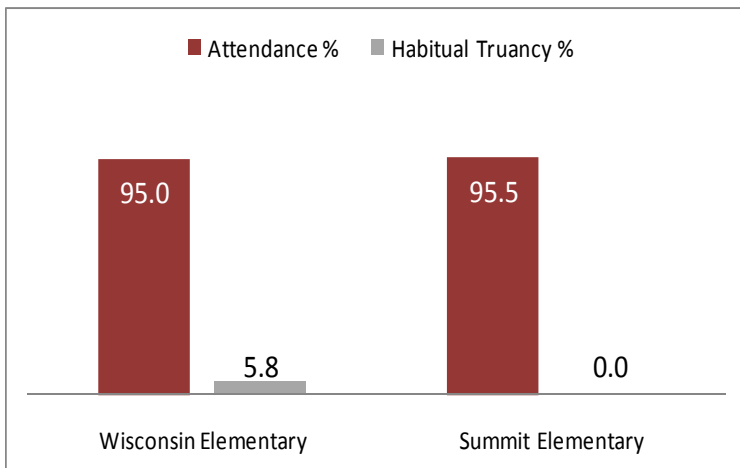

Summit students scored above state proficiency levels and annual measurable objectives (AMO).
